

# Alice in Wonderland – so many happy memories!

Our recent biennial KS2 production of Disney's 'Alice in Wonderland' Junior delighted audiences from near and far during the month of March 2018. Head of Drama and Director, Susie Bojarski, was thrilled with everyone's performances as well as the audience's responses which ranged from magnificent to awesome, brilliant, amazing and great to name but a few. Cast 1 and 2 each performed on two separate occasions. Their performances have been absolute show-stoppers and a great testament to their great team work, commitment and creativity. A huge thank you to everyone involved!

Here is what some of the children had to say:

Well done to everyone in all of the performances. We couldn't have done it without all the parents and teachers help. Congratulations.
